# ABOUT US

Located at the land of opportunity and the hub for excellence in engineering, Rajkot, Leeza Kitchenware gets the benefits of manufacturing climate. The Leeza Kitchenware and its directors understood the value of the prerequisites and keeping in mind the prerequisites, has developed manufacturing unit capable of satisfying need of quality products. The process of manufacturing at Leeza Kitchenware is a perfect example of global perspective and local performance. Beginning from quality raw material to after sale services, we do not know the word 'compromise'. The management of the company also represents the values and culture of the company.

Leema Exports Pvt. Ltd. is a technologically sound kitchenware product manufacturing firm having an experience for more than 2 decades. The firm is a fast-growing, highly respected company that seeks to be the preferred, trusted and successful long-term partner for its stakeholders - clients, partners, associates and its employees. Leema Exports Pvt. Ltd. is aiming to add tangible value to the business of its clients in every engagement.

Master Chef's First Choice

## VISION

Leeza Kitchenware is... To become the most trusted manufacturer and supplier of the wide range of kitchenware products with the concern for the best quality and best cost. To make the kitchenware sector growing with ideal atmosphere and to manufacture with the global standards.

## MISSION

We will strive to attain leadership in the markets we choose to serve by creating innovative and differentiated products that would be moulded with impeccable quality.

- ◆ By being driven by market need
- ◆ By innovating
- ◆ By improving continuously
- ◆ By staying focused
- ◆ By hiring and retaining talented and successful employees
- ◆ By being fair and ethical at all times

## QUALITY

We at Leeza Kitchenware understand that the quality is kept and matched with global standards, if the raw material is good. We believe that nothing but the Quality wins. We always demand to our suppliers to give us the best quality raw-material.

Innovation is the key in the sector we are in. We always strive to blend the two elements: innovation and quality in our manufacturing of the products. Leeza Kitchenware wants to be acknowledged and remembered for its quality products in the market.

Our approach is human along with our professionalism. We feel ourselves answerable and that's why we manufacture best quality products and give the best after-sale services to our esteemed clients.

Service & Support policy is made with following goals

- ◆ Inspiring growth of the clients and the company.
- ◆ To fulfill the commitment of being client-friendly company.
- ◆ To benefit the clients 365 degree.
- ◆ To strengthen the client-company relationships.
- ◆ To maintain the global standards.
